Art Unit: 2811

REMARKS

This is a Supplemental Amendment being filed after the Amendment filed on May 3, 2004. Applicant respectfully requests entry and consideration of this amendment prior to the next examination. Claims 1-6 and 12-32 were pending for examination. Claims 39-44 have been added. No new matter has been added. As a result of this Amendment, claims 1-6, 12-32 and 39-44 are now pending for examination, with claims 1, 29, 30 and 31 being independent claims.

New Claims

New claims 39-44 have been added. These claims depend from one of the independent claims that are patentable over the cited references for reasons explained in the amendment filed May 3, 2004. Therefore, for at least these reasons, these new claims are also patentable over the references of record.

CONCLUSION

In view of the foregoing amendments and remarks, this application should now be in condition for allowance. A notice to this effect is respectfully requested. If the Examiner believes, after this amendment, that the application is not in condition for allowance, the Examiner is requested to call the Applicant's attorney at the telephone number listed below.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee, that is not covered by an enclosed check, please charge any deficiency to Deposit Account No. 23/2825.

Respectfully submitted,
Edwin L. Piner, et al., Applicant
